

Household Hazardous Waste

Household Hazardous waste is a term used to describe household products that contain potentially harmful chemicals such as pesticides, paints, batteries, varnishes, pool chemical and more. A household hazardous collection program has been developed for Essex County resident, available twice per year. **Further information on Hazardous Waste Collection Days will be publicized in the Orange Transcript or Call the Essex County at (973)857-2350**

Used Motor Oil

The dumping of used motor oils is illegal in New Jersey. State law requires all state license reinspection stations, oil retailers, and retail service stations, which have a used oil collection tank existing on their premises, to accept up to ten (10) quarts of used oil per day from any person. State law permits the service station to charge a fee for recycling used oil. There must be nothing but used oil in the container. Antifreeze or any other containment is prohibited from being mixed with used oil.

Leaf Collection

Starts October 15th and ends December 15th

Note: Weather and the amount of leaves to be picked up can affect the City's ability to complete the pick ups by the above date. It is not necessary to call during leaf season for collection. There will be multiple collections during leaf season throughout the City. All leaves and/or yard waste **MUST** be bagged in **BIODEGRADABLE** paper bags only. All branches must be cut and tied in bundles no longer than four feet in length. Leaves **CANNOT** be piled in the streets at any time. DO NOT place leaves near any catch basins. Bagged leaves should be placed for pick up by the curb, not in the street. Landscaping Contractors and Property Owners are prohibited from blowing any type of yard waste into the street. Following leaf season, bagged leaves and tied brush can be picked up by appointment only. Residents on County roads must contact the County at (973)239-3366 for leaf schedule.

Biodegradable leaf bags will be available for Orange Residents while supplies last at City Hall, Security Guard Booth.

Landscaping Licensing

All Landscaping Contractors **MUST** be licensed by October 1, 2009. For additional information and application, please call (973)266-4030.

For questions regarding the Leaf Pick Up Program, please contact the Public Works Department at (973)266-4030.
