

## Al Fresco Sweet Apple Chicken Sausage Recall

January 21, 2016

Kayem Foods Inc., a Chelsea, Mass. establishment, is recalling approximately 22,182 pounds of chicken sausage products due to misbranding, the U.S. Department of Agriculture's Food Safety and Inspection Service (FSIS) announced today. The products bear the incorrect nutritional labeling information and are encased in pork casings, which are not declared on the label and may elicit allergic reactions in those allergic to pork proteins.

The chicken sausage items were produced on Nov. 4, 2015. The following product is subject to recall:

12-oz. vacuum-packed packages containing "al fresco SWEET APPLE CHICKEN SAUSAGE" bearing identification code "308 BW12 USE/FRZ BY FEB 7, 2016."

The products subject to recall bear establishment number "EST. P-7839" inside the USDA mark of inspection. These items were shipped to retail locations nationwide.

The problem was discovered after the firm received consumer complaints that the product listed nutritional information for a different product, "al fresco Apple Maple Breakfast" sausages.

There have been no confirmed reports of adverse reactions due to consumption of this product. Anyone concerned about an injury or illness should contact a healthcare provider.

Consumers with questions about the recall can contact Brenda Navaroli, Customer Service Manager, at 1-(800) 426-6100. Media with questions about the recall can contact Molly Kravitz, Public Relations Manager, at (617) 421-5431.
