

## **Smucker's Natural Peanut Butter Chunky limited recall**

November 30, 2011

The J.M. Smucker Company today announced a limited voluntary recall on two specific Best-If-Used-By dates of 16 oz. Smucker's® Natural Peanut Butter Chunky because it may be contaminated with Salmonella, an organism that can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy persons infected with Salmonella often experience fever, diarrhea (which may be bloody), nausea, vomiting and abdominal pain. In rare circumstances, infection with Salmonella can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditic and arthritis. For more information, please visit the Centers for Disease Control and Prevention's website at [www.cdc.gov](http://www.cdc.gov).
