

JRZ Dairy – Whole Milk Yogurt and Low Fat Yogurt

Recall

March 18, 2016

JRZ Dairy, Inc., of Selinsgrove, PA is recalling Whole Milk Yogurt and Low Fat Yogurt Because of a Possible Health Risk Due To Incomplete Pasteurization.

Inadequate pasteurization may allow for the survival of pathogens, which may cause serious or fatal infections after consumption. No illnesses have been reported to date.

Yogurt products were distributed to retail stores in Central New Jersey. JRZ Dairy, Inc., in collaboration with Pure Dairy Products, is currently taking action to recover these items from retail stores.

JRZ DAIRY, INC., SELINSGROVE, PA. 17870 is recalling the following:

Brand Size Type Sell By Dist. By
Puredesi 2# Low Fat Yogurt 5/12/16 Pure Dairy Products
Puredahi 2# Low Fat Yogurt 5/12/16 Pure Dairy Products
Puredesi 5# Low Fat Yogurt 5/12/16 Pure Dairy Products
Puredesi 5# Whole Milk Yogurt 5/8/16 Pure Dairy Products
Patidar 5# Whole Milk Yogurt 5/8/16 Pure Dairy Products
Puredesi 5# Whole Milk Yogurt 5/8/16 Pure Dairy Products

The problem was discovered upon review of process charts. Though process temperatures exceeded required minimum temperatures, required minimum process time was not met.

Consumers should return any of the aforementioned products to the place of purchase for a full refund or exchange. For further information contact Pure Dairy Products by phone at: 630-337-0914 M- Fri. 9 a.m. to 5 p.m. or email at puredairyproducts@gmail.com

This recall is being conducted with the knowledge of the Food & Drug Administration
