

tional information.

Summer school registration begins

Registration is under way as students in Orange's public schools can receive a month of classes during July.

Students in kindergarten through seventh grades can attend partial- and full-day sessions which are being offered at several district schools:

- Rosa Parks and Forest Street schools will host classes from 8:30 a.m. to noon.

- Lincoln Avenue and Park Avenue schools will host classes and activities from 8:30 a.m. to 5 p.m.

Both sessions will operate weekdays during July 5-29.

Fees will be charged and caregivers can learn more Saturday from 9 a.m. to noon when district personnel accept registrations in Lincoln Avenue School, 216 Lincoln Ave.

Registration forms are available on the district's website: www.orange.k12.nj.us or at each school.
