Detectives are searching for a suspect in the shooting death of a city man.

Anthony Williams, 20, was found after he was shot at Pierson and Hickory streets late on June 15. He was taken to University Hospital in Newark, where he died three hours later.

According to Katherine Carter, a spokeswoman for the Essex County Prosecutor's Office, the Homicide-Major Crimes Task Force is investigating the shooting. No suspects have been identified.

"The response from the Essex County Prosecutor's Office Homicide Task Force, which includes personnel from the Orange Police Department, was exemplary," said Orange Police Chief John Rappaport. "We hope it will result in a swift arrest and a successful conclusion to this case."

Carter said that anyone with information about the Williams homicide is urged to contact the Essex County Prosecutor's Office tip line at 877-847-7432.
