The Division is also responsible for road markings, including crosswalks, fire lanes and parking stalls.

The Department maintains 8 city parks, City-owned lots, and three in-ground swimming pools. It is responsible for the care of trees along public streets, as well as trees, shrubs and flowers in municipal parks and on public grounds.

Refuse Removal Guidelines

Public Works is responsible for the collection of leaves, garden debris, and recyclables from the curbside of residences, and trash from public buildings. Garbage is waste that results from food preparation and other usual household functions, not including recyclables, bulky trash appliances or scrap metal.

Garbage is picked up from the curb 2 times a week, not on holidays. If you do not know your garbage pick-up days, please call the Public Works Department at (973) 266-4030. Do not place garbage for pick-up prior to 8 p.m. the night before or after 6 a.m. on your scheduled pick-up day. Garbage should be in cans or plastic bags for pick-up, not in paper bags or boxes. We do not pick up construction debris.

Leaf collection starts October 15th and ends December 15th

Note: Weather and the amount of leaves to be picked up can affect the City’s ability to complete the pick ups by the above date. It is not necessary to call during leaf season for collection. There will be multiple collections during leaf season throughout the City. All leaves and/or yard waste MUST be bagged in BIODEGRADABLE paper bags only.

If your garbage is usually collected on one of the days listed above, do not place your garbage out for collection.
All branches must be cut and tied in bundles no longer than four feet in length.

Leaves CANNOT be piled in the streets at any time. DO NOT place leaves near any catch basins.

Bagged leaves should be placed for pick-up by the curb, not in the street.

Landscaping Contractors and Property Owners are prohibited from blowing any type of yard waste into the street.

Following leaf season, bagged leaves and tied brush can be picked up by appointment only. Residents on County roads must contact the County at (973) 239-3366 for leaf schedule. All Landscaping Contractors MUST be licensed by October 1. For additional information and application, please call (973) 266-4030.
