PUBLIC NOTICE

The Census will soon be upon us and much is at stake. Our representation in Congress and our fair share of federal dollars are directly impacted by the accuracy of our census count.

You are invited by the NJ Census 2020, the New Jersey Department of State – Complete Count Commission and various partners from around the state to a training focused on how to organize and lead a Local Complete Count Committee (LCCC) in your town or community to spread the word about the Census and encourage residents to complete their census forms.

Who should attend: Anyone who will be involved in the census effort in your town or community. To name some - Mayors, members of Municipal Councils, Municipal Clerks, Business Administrator, individual community members, non-profit leaders, community associations, faith based organizations, neighborhood associations, etc. Even if you have already formed a committee this training, which focuses on the ‘how to’ in organizing an LCCC, will be helpful

Multiple sessions are available:

Saturday, January 18, 2020  
10:00 AM – 1:00 PM  
Bergen County Administration Building  
Hackensack, NJ

Saturday, January 25, 2020  
10:00 AM – 1:00 PM  
Camden County College, Camden City Campus  
Camden, NJ

Saturday, February 1, 2020  
10:00 AM – 1:00 PM  
Middlesex County College  
Edison, NJ

Additional details and Sign up form:  
https://www.nj.gov/state/census-sign-up.shtml

Easy parking is available at each location

Please consider attending and please share this with your networks and on social media.

Joyce L. Lanier  
City Clerk
