Governor Phil Murphy has signed an Executive Order that require workers and customers to wear cloth face coverings while on the premises, except where doing so would inhibit that individual’s health or where the individual is under two years of age, and require workers to wear gloves when in contact with customers or goods. Businesses must provide, at their expense, such face coverings and gloves for their employees. If a customer refuses to wear a cloth face covering for non-medical reasons and if such covering cannot be provided to the individual by the business at the point of entry, then the business must decline entry to the individual, unless the business is providing medication, medical supplies, or food, in which case the business policy should provide alternate methods of pickup and/or delivery of such goods.

Due to the Coronavirus (COVID-19) Pandemic, New Jersey Governor Phil Murphy has issued Executive Order 105 which declared that the May 2020 Election will be Vote-By-Mail only. There will be no voting machines and the Polls will not be open. The Order allows for Orange Voters to obey the Governor’s a Stay-At-Home Order to prevent the spread of the Coronavirus (COVID-19). Beginning April 18, the Essex County Clerk’s office will begin mailing ballots to all registered voters in Orange at their home addresses. You will receive the Vote-By-Mail Ballot automatically from the Clerk’s Office as long as you are registered to vote. You can check your individual voter registration status online by clicking “Am I Registered?” on the NJ Division of Elections website (https://nj.gov/state/elections). Or, you may call the Essex County Clerk at (973)-621-4921.

The Clerk will provide complete instructions in order for you to cast your Vote-By-Mail Ballot. Once you receive your ballot, it is important you read and follow the instructions carefully.

Your Vote-By-Mail packet will include an envelope with a pre-paid stamp to mail your ballot back to the Clerk, so it may be counted. You are encouraged to complete and return your mail-in ballot as soon as possible after you receive it. The last day to mail it is May 12, 2020.

In the meantime, if you have not received a mail-in ballot by May 5, 2020, or if you have any questions about voting by mail, you may contact:
